

# 12th Annual Pollution Prevention Awards

Thursday September 21st, 2006 8:00a.m. To 12:00p.m.

Breakfast 8:00 a.m.-9:00

The Awards Ceremony (9:00a.m. -10:15 a.m.)

Since 1995, the Business Environmental Resource Center (BERC) has presented Pollution Prevention Awards to businesses demonstrating environmental excellence and leadership in our community. Pollution Prevention is a pro-active approach to environmental management that can help businesses reduce the cost of regulatory compliance by eliminating and/or recycling wastes, emissions, and discharges.

## The Speakers

### Hosted By KCRA 3 News Anchor Pamela Wu

A UC Davis alumni, Pamela has been honored with an Emmy nomination and received the Unity Award for her work as the host of the program "KCRA 3 Common Ground".

Kathleen Quetin is the California Air Resources Board (CARB) Ombudsman. Kathleen acts as a liaison between the regulated public and CARB on air quality regulations.

Leonard E. Robinson is the Chief Deputy Director of the Department of Toxic Substances Control (DTSC). He has over thirty (30) years experience in the environmental management field.

## The workshops (10:30a.m.-12:00p.m.)

### W.S. 1: BOILER, ASBESTOS AND VOCs: AIR REGULATION CHANGES AND FOCUSES

Recent changes in BTU thresholds for boilers, lowered Volatile Organic (VOC) limits for solvents & paints, and strict enforcement of permit requirements for asbestos removal are impacting many local businesses. Rick Balazs, former Air District Compliance Assistance Specialist, will be presenting a detailed overview of how these new rules could affect your operation.

### W.S. 2: GENERAL INDUSTRIAL PERMIT STORMWATER COMPLIANCE

Discussion of Permit requirements including: Stormwater Pollution Prevention Plan (SWPPP) development, monitoring and sampling, selection of appropriate Best Management Practices (BMPs), and common violations. The presentation will be given by Sacramento County Environmental Management Department's Stormwater Compliance Program inspectors.
